

Dear Hope Family,

We say “family” because that is who we are! Being part of the family of God is a truth mentioned time after time in Scripture. God delights in being our “Father” as this exemplifies the intimate relationship He desires as well as the relationship we enjoy with one another as His children! During these days of quarantine and social-distancing it is important that we do all we can to stay connected as a family.

To help the family of Hope Church stay connected, in addition to the regularly scheduled weekly opportunities (check our website at www.hopesearch.org), we offer the following this week:

- Spiritual Gift Class (taught by Pastor Kevin) every Thursday night in May, starting this Thursday, May 7 (7:00-8:00pm) on Zoom: <https://us02web.zoom.us/j/4189689191>.
- Hope Congregation Meeting this Friday, May 8 (7:00-7:45pm) on Zoom: <https://us02web.zoom.us/j/4189689191>. For those who don't know how to use Zoom, you can call into the meeting on your telephone at (669) 900-6833 (and use meeting ID # 4189689191).
