

Hello Hope Church,

It was so great to see/hear many of you at our Congregational Meeting via Zoom last Friday night! For those of you who were not there, we made a very important announcement regarding Hope Church wanting to assist folks who have been financially impacted by job loss/reduction due to the Coronavirus situation. Hope has a history of financially helping individuals within our church and, during this economically devastating time for some, we especially want to help now.

The church is financially assisting impacted folks because of your generous regular giving/tithing, peoples' increased giving for the specific purpose of helping folks within our Body that are financially struggling, and, most importantly, it is biblical (Acts 2:42-47; 4:32-37) !

**If you need financial assistance, please contact Pastor Kevin (408-309-8677) to discuss further. If you can financially assist others at Hope, please do so via your offering.**

As for spiritual nourishment, we've got you covered there as well! Make sure you join the Sunday (9:45am) [worship live-stream](#), the Monday (7pm) [bible studies](#), and, for the remaining three Thursdays (7pm) in May (the next one is on the 14th!), the [Spiritual Gifts Class](#) via Zoom at <https://us02web.zoom.us/j/4189689191> . Please reference the church's website for more details.

As for emotional comfort, we're here for you for that too! Feel free to contact Pastor Kevin for [live \(virtual\) counseling/prayer](#) and send your [prayer requests](#) to Hope's Prayer Team at [info@hopesearch.org](mailto:info@hopesearch.org) .

As the apostle Paul wrote to his dear friend Philemon (1:7), we genuinely feel the same for the people of Hope...

*"Your love has given [us] great joy and encouragement, because you ... have refreshed the hearts of the Lord's people."*
