

Dear Hope Family,

Have you seen Bill Murray's movie "Groundhog Day?" In this story he lives day after day – with each day being identical. These past few months you may feel like you are living it! Every day seems SO MUCH like all the rest! These days of quarantine / lockdown / Sheltering – in – place seem to be all alike. One day blurs to the next to where we find ourselves asking "What day is it?" It would be so easy to become complacent and to cease striving. The Apostle Paul had words of encouragement for the Ephesians that seems to fit our current need, "Make the most of your days, because the days are evil." (Eph. 5:16). Let's be careful not to stall – but to continue growing in the Lord!

Please remember you are not alone in this (crazy) journey of the past few months. The leadership of Hope Church prays for you regularly and consistently! We do pray for you – and want you to know of our continued availability during these days! If you have prayer requests; financial needs; need to talk, please contact Pastor Kevin at the email below or at 408-309-8677.

Again, we must remind you that the **Hope campus remains closed**. Should you need to be at the church for any reason, we are asking that you schedule ahead with David Rosch (call or text (preferred): 408-874-5103) to ensure as few people on site and minimal contact occurs while at our facility. Thanks for understanding and complying with this.

Beginning in the next few weeks, Pastor Kevin will lead a mid-week study on the Seven Churches of Revelation (Revelation chapters 2 and 3). This is a fascinating study where Christian Character, Types of Churches, Church and World History all intertwine. This class will be on Wednesday evenings (7:00 – 8:15) on zoom. Please contact Pastor Kevin for more information regarding this class. (More details in next week's letter).

Finally, we want to remind you of our admonition to stay in contact with others of the Hope Family. A simple phone call, text, email or note can mean so much during these days of isolation.

Blessings,

Kevin McCauley, Pastor (Kevin@hopesearch.org)
