

Dear Kevin,

On behalf of El Camino Health Enterprise, we wish to thank you very much for your donation of encouraging notes and pictures for the staff at El Camino Health during the COVID-19 pandemic crisis. It means so much to our workers to be the recipients of such an outpouring of support from our community and we are all extremely grateful for your kindness.

Although the challenges posed by coronavirus are daunting, El Camino Health is well prepared to take care of our community. Philanthropic support has always provided the extra margin of excellence, and it is even more important today. Thank you for your generosity during this time of uncertainty. Together we can keep our community hospitals strong – throughout this emergency and beyond.

Wishing health and safety to you and your family,
